

The Joybox Express is a 501(c)(3) that raises money for charitable organizations that enhance the quality of children's lives, focusing on those that provide access to programs in the arts & athletics.

On August 25, 2017 Mr. B and The Joybox Express will depart from Flint, Michigan, transporting a 385-pound piano on a tricycle built for three with the aim of reaching Mackinaw City within 24 hours. Next, a team of swimmers will tow the piano bike to Mackinac Island.

*The goal of this musical bike ride/swim is to raise funds for YouthQuest, an afterschool and summer program that serves 2,000 students in Flint and Genesee County each year. All donations fund YouthQuest.*
